(d) if not, what are the reasons for not accepting the suggestion of the FICCI?

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE (SHRI P. R. DAS MUNSI): (a) and (b) Yes, Sir.

(c) and (d) As the goods permitted to enter under the ATA Carnet are also to be allowed without payment of customs duty, there would be loss of revenue in respect of goods with are presently not permitted temporary importation without payment of duty. The goods which are presently permitted temporary importation are on execution of a bond by the importer for re-exportation of goods. The ATA Convention provides for waiver of Bill of Entry formalities in addition to customs duty exemption. If this facility is extended, it would require development of a suitable and dependable mechanism to monitor the import and identify speedily the cases of failure to re-export. The suggestion of FICCI therefore, needs careful examination.
